PREVENTION CHECKLIST-

Stay Safe Online – Prevention Checklist (For College Students in India)

- **Use strong, unique passwords** for each account (mix of letters, numbers, symbols; avoid personal info).
- **Enable Two-Factor Authentication (2FA)** on email, banking, and social media accounts.
- **Never share OTPs, passwords, or UPI PINs** with anyone—even if they claim to be from a bank. *(UPI Safety)*
- **Always verify UPI "collect requests" before approving**—fraudsters often trick users into sending money. *(UPI Safety)*
- **Avoid using public Wi-Fi for financial transactions** like online banking or payments.
- **Check website URLs carefully** (look for HTTPS and correct spelling before logging in).
- **Do not click on suspicious links** in emails, SMS, or WhatsApp messages (phishing scams).
- **Download apps only from trusted sources** like official app stores; avoid unknown APK files.
- **Log out from shared or public computers** and never save passwords on them.
- **Keep your device and apps updated** to protect against security vulnerabilities.

Reporting Cybercrime

- **National Cyber Crime Portal:** https://cybercrime.gov.in
- **Helpline Number:** 1930
- Report incidents immediately to increase chances of action and recovery.
